NOTES:
1) The delay in the materialization of the investments in category A, B and C is due to the later than expected collection of the amount of the increase of the share capital (26/04/2005). For this reason the company with its BoD decisions on 21/09/2005 and 15/12/2006 carried forward the investment plan.
2) The amount of € 1,740 thousand regarding the Investments of categories C & D (expansion to Bulgaria and Romania respectively) had to do with the indirect (through 100% subsidiary in Cyprus) participation to the share capital of foreign companies located in Romania and Bulgaria which in turn performed the aforementioned investments.
3) The non-allocated funds amounting to€ 1.209 thousand approximately, are invested in short-term low-risk investments (time deposits).
